

Caregiver Respite Care

What is Caregiver Respite Care?

Respite Care is 1:1 care, for your special needs child, in your home, by a highly trained individuals who are familiar with young children and special needs, so you can take a break.

What is the Cost of Care?

Caregiver Respite Care provides families with quality care, at no cost to you, if you qualify for funding from the Children's Board ASO funds.

Who Provides Care?

Easter Seals Florida will provide care in your home. Easter Seals Florida hires highly qualified, trained individuals who undergo extensive background screenings before they begin providing care.

How Do I Know If I Am Eligible?

Contact your local agency Service Coordinator to find out if your family qualifies.

Funded by ASO/Children's Board

Murray Child Development Center

The Easterseals Murray Child Development Center offers an inclusive classroom setting to support children with and without disabilities and special needs. We provide early care, intervention, and education for children ages birth to 5 years in accredited facilities through therapy evaluations and services provided right in the classroom. Our gold standard development assessments for all children aim to provide them and their parents with all the tools and resources necessary to live, learn, work, and play to their full potential.

Services Provided:

- Child care
- Support for medically fragile children
- Early Intervention services
- Low student/ teacher ratio
- Gross/ Fine motor skill activities
- Sensory activities
- Social skills
- Parent support
- Referrals to local resources, agencies, and services
